Report of the Secretary-General on the deployment of the African Union-United Nations Hybrid Operation in Darfur

Corrigendum

Paragraph 14

The paragraph *should read*

14. The reimbursement of AMIS troop-contributing Governments could not begin in mid-November 2007 for the month of October 2007 as planned, since troop numbers for that period had not yet been confirmed. In addition, the proposed budget for UNAMID for the period from 1 July 2007 to 30 June 2008 (A/62/380) was reviewed by the Advisory Committee on Administrative and Budgetary Questions in mid-October 2007 and was presented to the Fifth Committee on 8 November 2007. As noted in my previous report (S/2007/653), as an exceptional measure outlined in my letter dated 2 October 2007 to the President of the General Assembly (A/62/379), substantial support to AMIS under the heavy support package provisions has been financed through the temporary use of resources of the United Nations Mission in the Sudan (UNMIS). Upon approval by the General Assembly of the budget for UNAMID, expenditures incurred by UNMIS in support of AMIS will be reimbursed by UNAMID.
